This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

PREFACE.

THE HOLTON LIBRARY, of which the first printed Catalogue is here presented, was instituted in 1864. James Holton, the founder, of whom a biographical sketch may be found in the Library, was born at Brighton, (then the south part of Cambridge,) on Washington Street, opposite the foot of Rockland Street, Thursday, April 10, 1800, oldest child of Major Benjamin and Mary (Shed) Holton, and died, unmarried, the last of his family, at the estate inherited from his father, on Faneuil Street, between Market and Parsons Streets, Wednesday, April 29, 1863, aged sixty-three years and nineteen days. A typographical error occurs in the date of his birth in the printed Rules and Regulations of the Library, which is thus corrected here.

The Brighton Social Library, one of the earliest of the kind in the State, was organized with a Constitution, March 1, 1824. A Catalogue, with the names of the Proprietors appended, was soon printed. A second Catalogue, with the Constitution appended, printed by Dutton & Wentworth, Boston, was issued January 1, 1836.

The Brighton Library Association for the circulation of books, for maintaining courses of public lectures and exercises in declamation, composition and debate, was incorporated in accordance with the Statutes of the Commonwealth, January 15, 1858. Funds for the foundation of the Library were secured from the proceeds of a Social Levee and Fair given by the ladies of Brighton, New Year's Eve, December 31, 1856. The first Catalogue of the Association, a small duodecimo, with an abstract of the Constitution and By-Laws appended, was issued in 1857, from the publishing house of Bazin, Morse & Co., Boston.

A second Catalogue, in octavo form, containing likewise an abstract of the Constitution and By-Laws, printed by Charles H. Crosby, Boston, was issued April 10, 1859.

The books of both the above named Libraries made part of the foundation of the Holton Library.

For the gratification of the curious hereafter, copies of those earlier Catalogues, together with several of the Catalogues of Sabbath School Libraries of different churches in the town, have been bound in a volume entitled "Brighton Catalogues," and deposited in the Library.

The government of the Library is vested in a Board of Trustees, of twelve, chosen by the town, divided at first into three classes, of four members each, to hold office respectively for three years, two years, and one year. Its officers are a President, Secretary, Treasurer, and Librarian.

Rules and Regulations for the Trustees and for the use of the Library, printed in pamphlet form, by John Wilson & Son, Boston, were issued on the opening of the Library, September 1, 1864, and distributed among the families of the town. Copies of the same remaining on hand, have now been bound up with a portion of the Catalogues.

The arrangement of the Catalogue, it is believed, needs no explanation,—each volume being designated by its number. It is designed as a plain guide in the selection of books, and as an index to the contents of the Library.

Books marked with an asterisk (*) are distinguished as books of reference, and are to be consulted on the tables of the Hall, by permission of the Librarian, but not taken out.

For further information respecting the Library, the inquirer is referred to the Reports of the Trustees, printed annually.

HOLTON LIBRARY, June 6, 1866.

OF THE

TOWN OF BRIGHTON, Mass.

BOSTON:
PRINTED BY JOHN WILSON AND SON.
1864.

TOWN OF BRIGHTON.

HOLTON LIBRARY, September 1, 1864.

AT a meeting of the Trustees, on the evening of April 18, 1864, Messrs. WHITNEY, RUGGLES, BICKFORD, and WARREN, were appointed a Committee to prepare Rules and Regulations, and submit them for approval at the adjourned meeting on the 23d of April.

I certify that the Rules and Regulations, presented as above, and established by the Board of Trustees for the use of the Holton Library, are now in force.

Attest JOHN PERKINS CUSHING WINSHIP.

Secretary of the Board of Trustees.

EARLIER LIBRARIES.

The BRIGHTON SOCIAL LIBRARY, owned in shares by a corporation, was organized with a Constitution, March 1, 1824.

The BRIGHTON LIBRARY ASSOCIATION, for the circulation of books, for maintaining courses of public lectures, and exercises in declamation, composition, and debate, was incorporated in accordance with the statutes of the Commonwealth, Jan. 15, 1858.

The large collection of books embraced in these libraries is now merged in the —

HOLTON LIBRARY, INSTITUTED A.D. 1864.

JAMES HOLTON, the generous founder, was born in Brighton, then the south part of Cambridge, and commonly known as Little Cambridge, April 12, 1800, oldest child of Major Benjamin and Mary (Shedd) Holton; and died there, the last of his family, at the estate inherited from his father on Faneuil Street, Wednesday, April 29, 1863, aged sixty-three years and seventeen days.

The town, at their annual meeting in March, 1864, took action on the several legacies of Mr. Holton, as by his will submitted by Mr. Life Baldwin, executor; and at their next meeting, April 8, in further action upon the report of a Committee chosen in March, appointed twelve gentlemen, whose

names follow, as Trustees of the Library to be established on Mr. HOLTON'S foundation.

JOHN RUGGLES, LIFE BALDWIN, THEODORE MATCHETT, STEPHEN HASTINGS BENNETT, Rev. FREDERIC AUGUSTUS WHITNEY, WEARE DOW BICKFORD, Rev. JOHN PAINE CUSHMAN, NATHANIEL JACKSON, WILLIAM WIRT WARREN, JOSEPH ADAMS POND, GRANVILLE FULLER, JOHN PERKINS CUSHING WINSHIP.

At the first meeting of the Trustees, held April 18, at the rooms of the Brighton Library Association, Mr. RUGGLES was chosen President, and Mr. WINSHIP Secretary, of the Board.

Mr. BENNETT having declined the trust, Mr. CHARLES CARROLL HUTCHINSON was elected in his place.

RULES AND REGULATIONS

FOR THE

BOARD OF TRUSTEES

AND FOR THE USE OF

THE HOLTON LIBRARY, BRIGHTON.

CHAPTER I.

FOR THE BOARD OF TRUSTEES.

ARTICLE 1. The Board of Trustees, elected by the town, shall, each year, at the first meeting after the annual town-meeting, organize, by choosing from their number a President, Secretary, Treasurer, and also a Librarian from their own number or at large, who shall severally perform the duties hereinafter enumerated.

ARTICLE 2. The Board of Trustees shall meet on the Monday evening succeeding the annual town-meeting, and shall hold regular meetings on the second Monday of every month, at the Library-room. Meetings from April to September inclusive shall be held at half-past seven o'clock, P.M.; and, from October to March inclusive, at seven o'clock, P.M. Special meetings shall be called by the Secretary, upon the request, in writing, of three trustees, by a notice specifying the subject to be acted on. At all meetings, a majority of the Trustees shall constitute a quorum.

ARTICLE 3. The President shall preside at all meetings of the Board, and shall have the power, usually vested in a presiding officer; and, in his absence, a President *pro tem.* shall be chosen.

ARTICLE 4. The Secretary shall keep a record of all meetings of the Board, and shall perform the duties incident to his office.

ARTICLE 5. The Treasurer shall hold and invest, subject to the direction of the Trustees, all funds belonging to the Library, and, with the same, shall pay all bills which shall be approved by the President and Secretary. He shall keep proper books of account, showing all receipts and disbursements; which books shall always be open to the inspection of the Board, or of any member thereof. These books, together with the Treasurer's vouchers for money paid, and evidences of investment, shall annually, in the month of February, be examined and audited by the Trustees, or by a committee of the same. The Treasurer shall give bonds, to the satisfaction of the Board, for the faithful performance of his duties.

ARTICLE 6. The Librarian shall keep the Library-room and its appurtenances in good order, and properly ventilated, warmed, and lighted when in use. He shall record, in a book kept for that purpose, the name of every donor to the Library, the property given, the date

of the donation, the estimated value thereof, and the conditions, if any, on which given; and shall likewise return, in certificate-form, to each donor, an acknowledgment of thanks on behalf of the Trustees. He shall also record the title of each book purchased, the date thereof, and cost. He shall cover, and attach to each book a printed label designating the name of the Library, the number of the book, and, if given, the name of the donor. He shall enter, in a book kept for the purpose, the name of each person entitled to use the Library, the number of each book taken, and the date when delivered; and shall duly check such number when the book is returned. He shall keep a correct account of all penalties incurred and paid, when and by whom rendered, and shall return the amount to the Treasurer, on or before the first day of February annually. He shall carefully examine the account of each person on the first week of May, August, and November, annually, to ascertain all neglects in the due return of books, and shall forthwith notify all delinquents of such neglect by written communications. Should such books not be returned before the first day of the following month, he shall cause the same to be looked up and returned at the expense of the delinquent. He shall withhold the use of the Library from those from whom fines are due, and shall appraise the amount of damages done to books and other property of the Library, subject to appeal to the Board.

ARTICLE 7. These Rules and Regulations may be altered by the Trustees at any regular meeting (due notice of the proposed alteration having been given a week previously), or at any special meeting called for the purpose.

CHAPTER II.

FOR THE USE OF THE LIBRARY.

ARTICLE 1. The Library shall be open every Wednesday and Saturday from two to five, and from seven to nine o'clock, P.M. No books, however, shall be delivered for two weeks immediately preceding the annual town-meeting.

ARTICLE 2. All books shall be returned to the Library on or before the first day of February, under penalty of a fine of twenty-five cents.

ARTICLE 3. Any resident in town, over the age of fourteen, may have the use of the Library, upon signing a promise to obey its Rules and Regulations, and may take therefrom one volume at a time.

ARTICLE 4. Every person entitled to the use of the Library shall receive from the Librarian a printed card, on which the book asked for shall be designated by its catalogue-number, in blanks left for the purpose; and this card will be presented to the Librarian, as the *only*

mode of obtaining any book wanted. If the book is not to be found, the card will be returned for the applicant to insert another number.

Article 5. No book shall be kept out more than fourteen days; and new books, when ordered by the Trustees, shall be returned in a shorter period. Such new books shall not be retaken by the same person until after one week from the date of their return. The fine for retaining any volume beyond the time above specified shall be five cents for every half-week of such retention.

Article 6. Any book retained two weeks beyond the time prescribed by these Regulations shall be sent for by the Librarian; and the expense incurred in obtaining it shall be paid by the delinquent.

Article 7. All injuries to books, beyond reasonable wear, and all losses, shall be made good, to the satisfaction of the Board, by the persons liable; and any book not returned within one week after demand for it made by the Librarian shall be regarded as lost.

Article 8. No person having a book from the Library shall lend it to any one not a member of the same household.

Article 9. No person owing a fine or forfeiture shall receive books from the Library until the same is paid.

ARTICLE 10. All persons visiting the Library-room will be required to demean themselves quietly; and no conversation will be allowed in the room.

ARTICLE 11. Persons entitled to the privileges of the Library may receive books for consultation in the Reading-room while the Library is open; and the Librarian shall enter all books thus withdrawn, and erase the entry when they are returned. Any person neglecting to return a book, thus temporarily consulted, to the Librarian, shall pay the same fine as for a week's detention beyond the time prescribed by the Regulations.

ARTICLE 12. Books of reference, and those deemed by the Trustees unsuitable for general circulation, shall not be loaned, except by an order signed by at least two members of the Board.

ARTICLE 13. Catalogues of books belonging to the Library, with the established Rules and Regulations annexed, shall be provided by the Trustees; and, on application, a copy shall be given to the head of each family.

ARTICLE 14. These Rules and Regulations may be altered by the Trustees at any regular meeting (due notice of the proposed alteration having been given one week previously), or at any special meeting called for the purpose.
